

### PRODUCT OFFERINGS

▶ **Size:** 3/4", 1", 1-1/4", 1-1/2", 2", 2-1/2", 3", 4",

▶ **Color:** White, Red

▶ **Wall Type:** Electrical Metal Tubing, Galvanized Rigid Conduit, Intermediate Metal Conduit, PVC40, PVC80, PVC Coated GRC, Aluminum

▶ **90 End Type:** Push-On White Bushing, Grounding Bushing, EMT Connector with Steel Set Screw Connector, None

 Denotes CTO [Custom to Order] option

### APPLICATIONS

Excellerate conduit stubs are used as a raceway for systems cabling installation. These stubs are most commonly used for voice/data, fire alarm, building management and surveillance cabling.

### PRODUCT FEATURES

- ▶ Easy pull interior coating provides a smooth raceway for fast, easier wire-pulling
- ▶ Excellent mechanical protection for conductors
- ▶ Ductility for faster and easier bending
- ▶ Comes in 10'-0" pieces

### COMPLIANCE

- ▶ Manufactured in accordance with ANSI C80.3
